Project: OR34: Lint Creek (Indian Slough) Bridge
Subject: **Quality of Workmanship**

Tim,

Our office would like to express our satisfaction with the staff and workmanship of M.J. Hughes Construction, Inc., on the Lint Creek Bridge Repair and Cathodic Protection Project (C#14218).

Your administration staff was a pleasure to work with and they furnished necessary documents in a timely and adequate manner. Led by Superintendent Scott Russell, your field crew responded to our direction with a positive attitude, kept a clean job site, and provided an exceptional finished product.

From your administration staff's execution of the contract to your field crew's dedication to superior finish work, our office commends M.J. Hughes Construction, Inc.

Sincerely,

Art Nunez
Project Inspector

Jaimé Viramontes
Assistant Project Manager

Ray Cranston
Project Manager

Quentin Smith, PE
Bridge Preservation Engineer
