

KELLER'S CONSTRUCTION TOOLBOX TALKS

Table of Contents for Toolbox Talks

Building Construction

- General Building Site Safety
- Residential Construction

Confined Space Entry

- An Overview
- Air Monitoring
- Entry/Exit Preparation
- Hazardous Atmospheres
- Lockout/Tagout
- Nature Of The Hazards
- Rescue
- Site Safety
- Ventilation

Cranes & Derricks

- An Overview
- Crane Load Charts
- Crane Operations
- Crane Safety Depends on Four Factors
- Daily Inspection
- Jobsite Hazard Inspection
- Operating Cranes Near Communication Towers

Electrical Safety

- An Overview
- Accident Prevention
- Arc Flash & Blast
- Basics
- Extension Cords
- Hazards of Electricity
- Lockout/Tagout
- Overhead Power Line Safety
- Protection (GFCIs & Assured Equipment Grounding Conductor Program)
- Safe Work Practices
- OSHA's Top 5 Electrical Violations

KELLER'S CONSTRUCTION TOOLBOX TALKS

Environmental Issues

- An Overview
- Hazardous Waste
- Storm water
- Used Oil
- Wetlands

Ergonomics

- An Overview
- Back Safety & Lifting
- Repetitive Motions
- Tool Vibration

Excavations

- An Overview
- Confined Space
- Protective Systems
- Rescue Operations
- Site Safety
- Soil Classification
- Trench Safety
- Underground Utilities
- OSHA's Top 5 Excavation Violations

Fall Protection

- An Overview
- Equipment & Systems
- Falling Object Protection
- Floor/Wall Opening
- General Requirements
- Inspecting Your Harnesses & Lanyards
- Residential Construction
- OSHA's Top 5 Fall Protection Violations

Fire Protection & Prevention

- An Overview
- Extinguishers
- Firefighting
- Flammables

KELLER'S CONSTRUCTION TOOLBOX TALKS

Heating Devices

Housekeeping

First Aid & Medical

An Overview

Automatic External Defibrillators (AEDs)

Bloodborne Pathogens

Cold Related Illnesses and Injuries

Eye Wash and Safety Shower

First Aid

First Aid Kits

Heat Related Illnesses and Injuries

Helping an Injured Coworker

Sanitation

Forklift

Battery Charging

Handling Loads

Inspection

Loading & Unloading Trucks and Trailers

Maintenance

Training

Hazard Communication

An Overview

HAZWOPER

Labels & Labeling

Material Safety Data Sheets

Physical & Health Hazards

Training

Written Program

Heavy Construction

Flagging Safety

Highway Construction

Pipeline Construction

Power Transmission & Distribution System Construction—An Overview

Power Transmission & Distribution System Construction—General Requirements

Power Transmission & Distribution System Construction—Deenergizing Lines & Equipment

KELLER'S CONSTRUCTION TOOLBOX TALKS

Heavy Equipment

An Overview

Motor Vehicles—General

Motor Vehicles—Federal Motor Carrier Safety Regulations—Hours of Service

Motor Vehicles—Federal Motor Carrier Safety Regulations—Controlled Substances & Alcohol Use & Testing

Motor Vehicles—Federal Motor Carrier Safety Regulations—Inspection, Repair & Maintenance

Motor Vehicles—Federal Motor Carrier Safety Regulations—Hazardous Materials Transportation—(see Materials Handling & Storage tab)

Materials Handling Equipment (earthmovers and forklifts)

Inspection

Mounting & Dismounting

Operating Safety

Overhead Obstacles

Pile Driving

Working Safely Around Heavy Equipment

Ladders & Stairways

An Overview

Extension Ladder Selection

Ladder Safety

Stairway Safety

OSHA's Top 5 Ladders & Stairways Violations

Lockout/Tagout

An Overview

Electrical Equipment

Mechanical Equipment

Materials Handling & Storage

An Overview

Chain & Wire Rope Slings

Hazardous Materials Transportation

Helicopters

Rigging Methods

Storing Flammable Liquids in Containers & Cabinets

Wire Rope Inspection, Maintenance & Storage

Working with Overhead Hoists

KELLER'S CONSTRUCTION TOOLBOX TALKS

Occupational Health

- An Overview
- Asbestos
- Asbestos (EPA Requirements)
- Asphalt Hazards
- Cadmium
- Carcinogens
- Diesel Exhaust
- Fiberglass Insulation
- Lead—An Overview
- Lead Operations—An Overview
- Lead Operations—Engineering Controls
- Methylene Chloride
- Preventing Mold Growth
- Radiation
- Reproductive Hazards
- Silicosis
- Solvents
- Sun Exposure
- Ventilation

Personal Protective Equipment

- An Overview
- Eye Protection
- Eye Protection Checklist
- Foot Protection
- Glove Selection
- Hand Protection
- Head Protection
- High-Visibility Clothing
- Noise
- Respiratory Protection—An Overview
- Working Near Water
- OSHA's Top 5 Personal Protective Equipment (PPE) Violations

KELLER'S CONSTRUCTION TOOLBOX TALKS

Safety & Health Program Management

- An Overview
- Behavior-Based Safety
- Emergency Action Plans (EAPs)
- Hearing Conservation Program
- Safety Training & Education
- Substance Abuse Program

Scaffolding

- An Overview
- Access to Scaffolds
- Aerial Lifts
- Erecting/Dismantling
- Fall Protection
- Falling Object Protection
- Scaffold Specific Training
- Scissors Lifts
- Using Scaffolds
- OSHA's Top 5 Scaffolding Violations

Site Safety—General

- An Overview
- Caught In/Between Hazards
- Harmful Plants
- Handling & Disposal of Construction Waste
- Housekeeping
- Imminent Danger
- Insects, Snakes, & Animals
- Jobsite Safety Awareness
- Jobsite Theft Prevention
- Laser Safety
- Proper Jobsite Clothing
- Role of the Competent Person
- Safety Color Code
- Security
- Signs, Signals, & Barricades
- Slips, Trips, & Falls
- Stress

KELLER'S CONSTRUCTION TOOLBOX TALKS

Struck-By, Hit-By Hazards

Weather Factors

Worker Fatigue

Working in Windy Conditions

Site Violence

An Overview

Building & Facility Security

Explosives Theft

Special Trades

Concrete Construction—Impalement Protection

Concrete Construction Safety

Demolition—Preparatory Operations

Explosives

Steel Erection

General Safety Requirements

Assembly Overview

Fall Protection

Communication Towers—Fall Protection & Safe Access

Tools, Hand & Power

An Overview

Abrasive Wheels

Chain Saws

Hand Tool Safety

Machine Guarding

Nail Guns

Pneumatic Tools

Powder-Actuated Tools

Power Tools

Priming Gasoline Engines

Small Gasoline Engine Powered Equipment

Tool Selection

Working with Jacks & Jack Stands

KELLER'S CONSTRUCTION TOOLBOX TALKS

Welding & Cutting

- An Overview
- Arc Welding
- Compressed Gas Cylinder
- Fire Prevention
- Gas Welding
- Personal Protective Equipment
- Ventilation

Work Zone Safety

- An Overview
- Personal Protective Equipment
- Traffic Control Devices
- Training Personnel

Subject Index
